The Feedback on curriculum was collected through online mode from all the stakeholders in the academic year 2022-2023. Feedback forms weblinks were sent to stakeholders (Students, Teachers, Alumni) who gave their response online. Average rating of all the stakeholders feedback response found to be 91%

Action Taken:

1. The Principal conducted a meeting with the faculty and informed about the feedback received from various stakeholders. He also instructed the faculty to overcome the negative findings if any and work accordingly.
2. In most of the feedback the emphasis was use of ICT tools and its usage between faculty and students. Considering this, the college increased the use of ICT tools in teaching-learning process.
3. It was the need and demand of the college vicinity to start BSc Computer Science. The college has submitted a proposal to the university demanding the same.
4. Construction of Girls common room has been started.
5. Infrastructure was developed for the conducive and healthy atmosphere of the college.
6. Most of the students participated in extracurricular and extension activities organized by the college.
7. The Alumni Association registration is in process to involve the distinguished alumni in the decision-making process.
8. The teachers started participating in Teachers Training Programme to update their knowledge in terms of the syllabus content and research.
